LIONS BEGIN EYE EXAMS

The Bay St. Louis Lions club have launched on the first day of a county wide eye examination program to give a free eye examination to each school child in the county.

The program is under the supervision of Dr. Walter Russo, optometrist, who has an office in the Stevenson building in Bay St. Louis.

Examinations have been given all students of Lakeshore and Clarendon Harbor. At present Waveland students are receiving their examinations. Approximately ten minutes is required for the exams therefore it will take considerable time to complete the work.

If the child is in need of glasses or eye examination the parent is notified but will not be obligated to have eyes tested by Dr. Russo unless they so desire.

If the program is successful the club plans to make it an annual program.

Miss Sarah Weaver, Home Demonstration agent of Hancock County is assisting the Lions with the program.

5-Hour Snowfall Sun. Delights Coast Kids

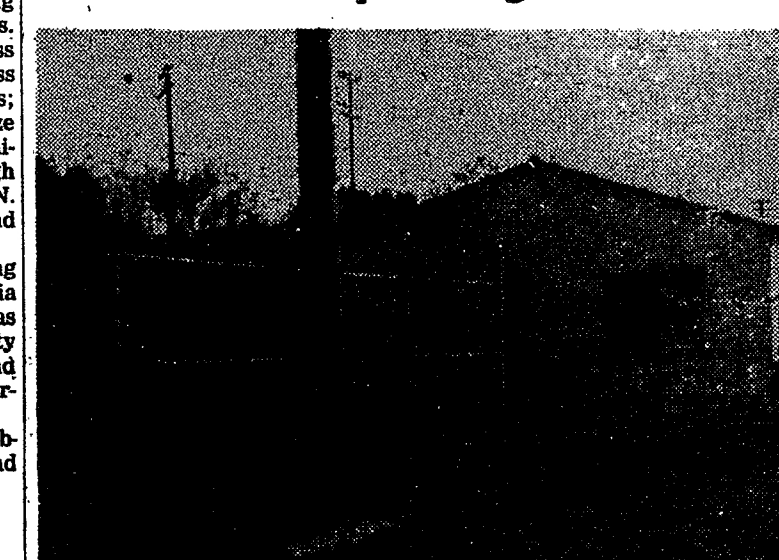

For close to five hours Sunday day drifts on the side of the entire gulf coast was the scene of falling snow.

At ten in the morning the white flakes started to come down with rain in a short time the rain stopped but the gentle white flakes continued to fall. Not just flurries are generally seen in these parts, but a steady fall of white. Some of the time the flakes were quite large, other periods of the fall it was almost dustlike in appearance.

In Bay St. Louis proper, in spite of the long time of the fall, the snow did not stay on the ground. This was probably due to the warmth of the earth plus the extreme wetness caused from the heavy rains, and the flakes melted as they hit but at Nicholson Ave. it stayed long enough for the children to have the fun of building snowmen. At Pass Christian it was also reported to have lasted on the ground and on the highway from Wiggins coming into Gulfport as late as Monday.

This year, the snow was a picture for the eyes, but did not give the same pleasure because of not lasting as it hit the ground. But the children of this generation will in all probability have something to remember when in the years to come they tell tales of the two snows of 1954 and 1955 that fell on the semi-tropical Gulf Coast.

The invitation also was complete with a map of the road leading to the party, so that information for reaching the party grounds was complete.

Inside and outside work began this week on the local National Guard Armory on Necaise Ave. Lt. Irvin Kingston, commander, and T-Sgt. J. C. Roland, administrator officer, feel the building will be ideal for the Guard when the renovations are completed.

An 18 point second period spree while allowing only one field goal scored the major factor in St. Stanislaus' 46-39 victory over the Wolves of St. Paul's in the feature game of a twin bill played at the Rockaway gymnasium Tuesday night.

After trailing 11-5 going into the second period, St. Stanislaus hit the hoop for a total of 18 markers, allowing a lone field goal to St. Paul in the final five seconds of the quarter.

The two teams matched their scoring in the third quarter, each scoring 13 points and SSC held a 36-25 lead entering the final canto. The Wolves staged a small rally but couldn't move the Rockaways lead to more than 7 points and St. Stanislaus won their fourth game in nine outings.

Harry Kershaw was again the hero for St. Stanislaus as he dropped 18 points through the nets while guard Wyllis Rhodes contributed 11 points. High scorers for St. Paul were Frank Fouchi with 13 points and Allie Duplantier who scored 12 points.

The Louisiana squad now has a record of 11 victories and 3 setbacks. Tonight they will meet the Holy Cross Tigers in a cage doubleheader in New Orleans.

Carolyn Ladner Faces Gold Jays To 46-37 Win Over Pass

Faced by the 30th points of Carolyn Ladner, the St. Joseph Academy Gold Jays quelled the Pass Christian Pirates 46-37 in the girls' contest of a triple-decker played in the St. Stanislaus Gymnasium Friday night.

Pass Christian, who had earlier defeated the Gold Jays 34-33, had leads of 8-4 and 17-15 at the close of the first two quarters; but SJA hit for 15 markers in the third period and held a 30-24 margin entering the last frame.

Janet Genin pushed in 10 points and Jane Favre added 6 points to aid the Gold Jays' scoring.

Mary Harrison took the night's scoring honors by hitting for a total of 31 points in a losing cause for the Pirates. Ruby Jo Lively accounted for 6 points for the Pass High sextet.

KILN CAGE SQUAD REPELS INVADERS FROM MARS HILL

Faced by the 22 points of center Royce Shiyou, the Kiln cagers handed the powerful Mars Hill quintet a 73-49 shellacking in the feature tilt of a twin bill played on the Wildcat court Thursday night. The Amite County boys took a 68-42 victory in the "B" affair.

Kiln had little trouble with the invaders. The Wildcats held strong leads of 21-13 and 38-24 at the close of the first two periods.

Fourteen field goals and three charity shots gave Kiln a 31 point spree in the third frame, and a 64-37 gap going into the last quarter.

Other pacesetters for Kiln were Larry Ladner with 16, Huey Curet and Jason Mauffray each contributing 12. The team of Williams and Clark combined 20 points for the losing Mars Hill team.

Coach Bob Stewart's Mars Hill cagers boasted recent wins over previously undefeated Catholic High of Natchez, Silver Creek and Independence. Catholic High and Silver Creek were rated one-two in southwest Mississippi this year.

Mars Hill collected the "B" game 68-42. Dalton Sones was high scorer for Kiln with 18 points while V. Moran had 12. Harry Clark added 23 in leading Mars Hill.

Score by quarters:
KILN 13 14 11 15—53
LYMAN 9 10 15 8—42

Officials: James Hadway and Mac L. Williamson

OUT DUE TO INJURY

Bessel Mitchell, first string forward for the Kiln cagers, will be out of action for the next two weeks due to a knee injury received in the Kiln-Johnson tilt last week.

Mitchell missed the Lyman tournament held this past week and three regular schedule games. Coach L. C. Ladner said the team really missed Mitchell being on the court as he is a "top team" player and plays not only with ability, but puts his heart in each game.

Mitchell is a superlative rebounder and a first rate sharpshooter. Coach Ladner added.

Until his injury, Mitchell had averaged better than 10 points a game and committed only an average of 2 fouls each game.
